Hola Gemma,

We just wanted to say thanks for the great tours on Friday and Sunday. We really enjoyed Sunday and were impressed with your knowledge. It was great.

Also thank you for the recommendation for lunch at ca l' Estevet. We liked it so much we went back on Monday for dinner and are heading to dinner there again tonight. Pepe is a great host and he prepared a special tasting menu for us on Monday. His food is outstanding!

Gracias,

Jeff & Mary
