

Thank you Gemma. We had a lovely and memorable time in Barcelona this Dec. Thanks for your good arrangement so that my family were able to visit the lovely country side, visited the olive processing plant, able to taste the wonderful local. Olives and olive oil. The visit to Montserrat was wonderful with so that we were able to see such a historical site and took so many great pictures, as well while we stop by along the road at the hill. The trip overall was very educational and eye opening. Thank you for the information and background that you have given us during the trip and we have learned a lot. I would surely recommend this to anyone who would like to see more about Barcelona. Thanks again Gemma for your tour and also please thank the driver who has given us a very safe and efficient ride. I do hope that we will meet again because we surely will come to Barcelona again and would love to ask you to take us and guide us to see more. I am very sure that there are much more places that you can show us and let us see and learn more about Barcelona and the area nearby. All the best from Li's family.
